

Easily accessible tabs for patients to use

The Main Problem

- Patients are non-compliant with their CPAP machines
- OSA links to CHF

Our Goal

We want patients to have one place where they can track symptoms, ask questions and learn to use their device

THE CPAP APP
HELPING PEOPLE
BREATHE BETTER

About Us

Through the S.C.A.R.F program we help raise of awareness for cardiac related death

L.I.N.K.ing OSA to CHF
